“ So many memories this wonderful man left behind with each and every one of us. Even though he was taken to soon....he is finally at peace and continues to watch everyone from a distance. He will forever walk with his children and his family. I was one of many to have shared many laughs and great times with him. He was one of kind. A special person I'll never forget. Your memory and loving soul will live on through your babies, Rollie.

*Love and forever miss you.... Yvonne L. Castro*

“ Hey Roll  
I MISS YOU...Nobody knows how I feel or what I'm even going through and you were always the one i would talk to whenever I had an issue even though we weren't together anymore it still felt like we were cause we told each other everything from our babies being crazy to criticizing people just to laugh...I'm not gonna lie I feel your presence everyday when I wake up cause I can't help but cry...and Ryland somehow always ends up in my bed with me I'm sure that's you picking him up while he's asleep and laying him next to me as much as I want to change things now, it's too late remember when you came down and we took the kids shopping I said if we were to ever get back together I would marry you and we were talking about what you were gonna wear cause I wanted it on the beach...you were too funny...lesson learned life doesn't wait and I will always know that. I want to thank you for giving me these 3 BEAUTIFUL CHILDREN that look exactly like you, you'll be in our hearts 4ever till we meet again & this time we'll get married in HEAVEN!

*The Babies and I LOVE & MISS you so so so so MUCH*
